

Display & Foliage Supervisor

Longfellow's Greenhouses in Manchester, Maine is seeking to hire a Display & Foliage Supervisor on a full time basis. This position is responsible for all of the retail houseplant, annual & vegetable plant areas and both overseeing the setup of plant displays as well as the supervision of Display Team members.

Typical duties include the following:

- Setting up / restocking displays of plant material
- Ordering and maintaining inventories of tropical foliage and flowering plants
- Collaborating with other department leaders to ensure adequate product inventories
- Creating signage and point-of-purchase materials / programs for foliage and flowering plants
- Providing exceptional customer service
- Supervising and training restocking team
- Care of plants in areas of responsibility (including watering, grooming, pest control)
- Work is performed in a greenhouse environment. Lifting up to 25 pounds is required. Full range of physical mobility including walking, sitting, standing, stooping, reaching, pushing, pulling and manual dexterity is required.

Qualifications needed for this position include the following:

- High school diploma or equivalent required; Associate's or Bachelor's degree in a related field preferred
- Horticultural or gardening experience preferred
- Computer literacy including Microsoft Office required
- Strong written and oral communication skills
- Ability to work flexible schedule as needed required

Interested applicants should apply with a cover letter, including salary requirements and a resume to:
